ADMINISTRATOR CONTRACT AND CONTRACT NON-RENEWAL Code No. 303.3

The length of the contract for employment between an administrator and the board will be determined by the board and stated in the contract. The contract will also state the terms of the employment.

The first three consecutive years of a contract issued to a newly employed administrator will be considered a probationary period. The probationary period may be extended for an additional year upon the consent of the administrator. In the event of termination of a probationary or non probationary contract, the board will afford the administrator appropriate due process, as required by law. The administrator and board may mutually agree to terminate the administrator's contract.

If an administrator's contract is not being renewed by the board, the contract will be extended automatically for additional one-year periods beyond the end of its term until it is modified or terminated as mutually agreed to by the parties or until the administrator's contract is terminated consistent with statutory termination procedures.

It is the responsibility of the superintendent to create a contract for each administrative position.

Administrators who wish to resign, to be released from a contract, or to retire, must comply with applicable law and board policies.

NOTE: May 15 is the date established by Iowa law for notice of board action to consider termination of an administrator's contract. The board may select an earlier date but not a later date.
