

PUBLIC EXAMINATION OF SCHOOL DISTRICT RECORDS

Code No. 901

Public records of the school district may be viewed by the public during the regular business hours of the administration offices of the school district. These hours are 8:00 a.m. to 4:00 p.m. Monday through Friday, except for holidays and recesses.

Persons wishing to view the school district's public records will contact the board secretary as custodian of district records, or their designee and make arrangements for the viewing. The board secretary as custodian of district records, or their designee will make arrangements for viewing the records as soon as practicable, depending on the nature of the request.

Persons may request copies of public records by telephone or in writing, including electronically. The school district may require pre-payment of the costs prior to copy and mailing.

Persons wanting copies may be assessed a reasonable fee for the copy. Persons wanting compilation of information may be assessed a reasonable fee for the time of the employee to compile the requested information. The district will make every effort to provide the public record requested at no cost other than copying costs for a record which takes less than thirty minutes to produce.

Costs for legal services utilized for the redaction or review of legally protected confidential information may also be assessed to the individual requesting the records. Printing of materials for the public at the expense of the school district will only occur when the event is sponsored by the school district.

Pursuant to Iowa law, the board has determined certain records need to be confidential as their disclosure could jeopardize the safety of persons or property and include, but are not limited to, the following:

- Security procedures
- Emergency preparedness procedures
- Evacuation procedures
- Security codes and passwords

It is the responsibility of the board secretary to maintain accurate and current records of the school district. It is the responsibility of the board secretary as custodian of district records, or their designee to respond in a timely manner to requests for viewing and receiving public information of the school district.

The District works to make available public records that are requested. However, in rare and unusual circumstances, the District may pursue any available legal remedies, in accordance with applicable laws, to forestall vexatious requestors of records.
